Since the SRS document and presentation are due on April 19, 2011, we now have more time for fully completing it. We spend all weekend working in the SRS. Gabriel and Joaquin finish ~~the~~ sections 2.2 and 3.2. ~~Some~~ Some user cases were change or updated. Francisco finish ~~the~~ sections 2.3 and 3.6, he also work or modify section 2.1, ~~originally~~ that Luis ~~worked on~~ ~~Francisco also~~

Francisco also worked on section 3.1, originally assigned to Luis. I ~~finish~~ work on sections 2.3, 2.4, 3.3, 3.4 and 3.5. With all the sections done, Francisco and Gabriel gives the ~~finish touches~~ finishing touches to the document.

I was assigned the SRS ~~de~~ presentation. I use the feature google docs to make the presentation in powerpoint format and everyone can edit it. ~~The presentation~~
